

Jesus "n" You

Find Him "n" You

Dear God,

I am calling on You because I am hurting. Lord, deliver me from the hurt, sorrow, and suffering that I am encountering because of my grief. Help me to set my eyes on You. I count it done that Your Word will work in my heart, and I will be delivered from grief. Thank You, Lord, for delivering me.

Lord, help my other family members and friends that may be suffering as well. Allow them to recover from this mishap and let joy enter their lives again too.

In Jesus' name,
Amen.
